

Red-Backed Shrike

Date

1832 - 1837

Primary Maker

John Gould

Medium

Lithograph, hand-colored

Description

Two *Lanius Collurio* (Red-Backed Shrike) birds, one with a brown speckled back and white speckled belly, and the other with a light blue head and tail, black eye, brown back and wings, and white belly. Both birds stand on a woody branch with green leaves. Plate 69 from volume II of "Birds of Europe", London, 1832-1837.
